

**TAXI**

A close-up photograph of a taxi sign. The word "TAXI" is printed in large, bold, black capital letters on a curved glass surface. The glass is part of a vehicle's window, with a metal frame visible at the top and bottom. The background outside the window is a bright blue sky with scattered white clouds. A vertical metal support structure is visible through the glass, partially obscuring the text. The overall image has a slightly grainy, high-contrast quality.
